Good Picture at Little.

"The Trail of the Lonesome Pire," with Charlotte Walker in the role which she created on the legitimate stage, is the attraction at the Little Theater for the first half of the week. Few stories are so ideally suited to motion picture representation as this one. It is essentially a story of action, and beautiful mountain scenery adds to the value of the picture version. The acting is splendid. Charlotte Walker repeats her stage success in the role of June. Theodore Roberts's pertrayal of "Devil" Judi Tolliver is a mayof June. Theodore Roberts's pertrayal of "Devil" Judd Tolliver is a magnificent piece of character work.

Terrible Condition Brought On by Nervous Indigestion and Vertigo, He Says.

"Nervous Indigestion and Vertigo in its severe stages causes hundreds of people to leave work," says T. C. Prince, representative now in charge of the introduction of Tanlac here in Richmond through the Polk Miller Drug

"Few people realize until illness almost sweeps them off their feet that they are ill and need attention. Sometimes one would think they wanted the illness to call the undertaker on the phone for them. they heed nature's warnings so little."

"A case last week came to our attention, that of T. R. Moore. 2120 West Main Street, Richmond, and his con-

dition is best told by himself, so we quote below his own werds as to his condition and remarkable relief. He said: 'I had to give up work on account of my condition, which I ascribed to Nervous Indigestion and Vertigo. My head would swim around after eating, and if I didn't at once sit down I would fall on my face. The indigestion caused gas to form and gave me severe pains in the chest and body practically all day long. I saw this wonderful remedy. Tanlae, advertised; bought a bottle and now my digestion is better, no gas forms in my tised; bought a bottle and now my di-gestion is better, no gas forms in my stomach. The pains in chest and body are gone, and I have not been troubled the least bit with dizziness or nervous spells. In fact my condition is so much better I recommend Tanlac to my friends, for I have only taken one bot-tle, and am now on the second. I shall certainly stand by Tanlac and expect to take more." take more!
